# A dedicated marine and energy insurance provider

The Standard Syndicate is a marine and energy insurance provider in the Lloyd's insurance market which commenced underwriting in 2015.

The syndicate was established by The Standard Club, a leading international Protection and Indemnity (P&I) club insuring 10% of the world's tonnage. We therefore benefit from the club's experience of marine insurance, which stretches back to 1884, and have tailored our marine and energy covers based on the needs of shipowners, operators and offshore energy operators.

We aim to stand out within the Lloyd's market, and on the next page we explain some of the features that we believe make us do so. As a result, we have already been recognised with a number of prestigious industry awards. The Standard Syndicate was a finalist in the Insurance Day, London Market Awards, 'Underwriting Team of the Year' award and in the 'Underwriting Initiative of the Year' award at the Insider Honours. The Syndicate was also shortlisted in the 'Commercial Insurer of the Year' and the 'Insurance Team of the Year' awards at the Commercial Insurance Awards.
